### IESSC is ...

... a non-profit organization that has been in existence for over twenty-five years serving under-represented youth in the Inland Empire community. Your support funds Winter Sports Activities for youth such as learn to ski and snowboard lessons.

Last year, IESSC partnered with the non-profit organization, Music Changing Lives, and sponsored some first-time under-served youth to ski and snowboarding. Some non-winter youth programs include: career day, Building Essential Skills and Talent (BEST) programs, camping and other social and cultural awareness activities.

IESSC is part of the national organization – the National Brotherhood of Skiers (NBS). The NBS is comprised of over seventy-five ski clubs with over 15,000 members throughout the United States. For more information, visit [IESSC.com](http://IESSC.com)
